Director of the United States Patent and Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with 37 C.F.R. § 1.821(e) and M.P.E.P. § 2422.05, applicants request that the computer readable form filed on November 5, 2003 in applicants' parent application, U.S. Application Serial No. 09/862,802, be used as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary changes in application number and filing date for the instant application. A paper copy of the Sequence Listing is included in the instant application. Furthermore, according to 37 C.F.R. § 1.821(f), applicants state that the paper copy of the Sequence Listing in this application, application number unassigned, is identical to

the computer readable copy of the Sequence Listing that was filed on November 5, 2003
in applicants' parent application, Application Serial No. 09/862,802.

Respectfully submitted,

A handwritten signature in black ink that reads "Michael Biro". The signature is written in a cursive style with a large, stylized "M" and "B".

Michael G. Biro
